SPRINT 2 RETROSPECTIVE

Date: November 4, 2025

Attendees:

Ankita Muni (PES1UG23CS081)

Likitha H (PES1UG24CS810)

Manasa S A (PES1UG24CS811)

Arya S (PES1UG23CS107)

What Went Well?

- We resolved most of the technical issues that slowed us down in Sprint 1.

- Code commits and version control went much smoother this time.

- Everyone understood their tasks clearly and communication was more efficient.

What Didn't Go Well?

- A few minor merge conflicts still occurred.

- Some delay in completing testing because of overlapping schedules.

Action Items for Next Sprint:

- Finalize documentation for all completed modules.

- Add final test cases and ensure stable builds.

- Prepare for integration testing and sprint demo.
